## 2013 KUSKOKWIM BAY-CAPE ROMANZOF HERRING NEWS RELEASE 17

This is an announcement from the Alaska Department of Fish and Game in Fairbanks for commercial herring fishermen in the Cape Romanzof District.

### **Cape Romanzof District**

The current commercial herring period in the Cape Romanzof District has been extended for 24 hours and will now close at 11:59 p.m. on Thursday, June 13, 2013.

To date, there has been no reported commercial harvest in the district. Tenders are having difficulties getting to the district because of lingering coastal ice. **Commercial fishermen must ensure the buyer is present in the district prior to commercial fishing. Fishermen should contact their buyer prior to commercial fishing.**

During this opening, an aggregate length of 100 fathoms or less of commercial herring gillnet gear is allowed.

ADF&G's fishery managers can be reached by calling Travis Elison at (907) 543-2709 and Aaron Tiernan at (907) 543-2331 in the Bethel office for Kuskokwim Bay, and Jeff Estensen (907) 459-7217 in the Fairbanks office for Cape Romanzof. Current fishery information will be available by calling the telephone recorder in Bethel at (907) 543-2598 or toll free at (855) 933-2433. Recordings will be updated as information becomes available. Fishery updates will also be available at the Commercial Fisheries website:
